

Summer Institute in Program Evaluation

Welcome!

- Please pick up info at the front of the room (Agenda, QR Code, Coloured Paper)
- *Students – Please sign in*

Planning Committee

- Javier Mignone, University of Manitoba
- Aynslie Hinds, CHIRP
- Gerry Kaplan, CES MB President
- Karen Duncan, University of Manitoba
- Samantha Neufeld, CES MB Student Liaison
- Marianne Krawchuk, United Way Winnipeg

Goals

1. Bring together university students and community-based practitioners to learn together about program evaluation
2. Combine lectures, case studies and group work to explore the concepts of participatory evaluation with a goal to improve evaluation and planning execution.
3. Create a common space where evaluators, researchers, practitioners, and students can complement their knowledge and experience.

Format

- One week (M-F, 8:30am-4:30pm)
- Participant Workbooks
- Website with documents
- Full group lecture sessions
- Breakout sessions
- Case studies
- Evaluation plan presentations

Who is here?

- University of Manitoba
- University of Winnipeg
- University of Alberta
- Undergraduate Students
- Graduate Students
- Community Members

Questions?

Comments?

Suggestions?

The image features a green header with a white background below it. On the left is a logo of a stylized flower with five petals in brown, red, blue, orange, and yellow. To the right of the logo, the text "Summer Institute" is in white and "in Program Evaluation" is in green. Below this, there are five overlapping speech bubbles in teal, orange, yellow, light green, and pink, each containing the text "Questions?", "Comments?", and "Suggestions?" respectively.
